

## Sunset Crater Volcano National Monument Vegetation Map Class for Ponderosa Pine / Montane Grass Mosaic

The map class "[Ponderosa Pine / Montane Grass Mosaic](#)" is composed of the following vegetation associations, each described separately:

- [Ponderosa Pine / Mountain Muhly Woodland](#)
- [Ponderosa Pine / Blue Grama Woodland](#)

This map class is widespread, occurring in large polygons in the western third of the mapping area. Blue grama and/or mountain muhly may form a significant understory layer.
